GENERAL NEWS

- **We trust that our Muslim staff, learners and their families had a blessed and peaceful Eid Mubarak.** May the values of this beautiful month remain with you; and may Allah bless you immensely.
- **The Book People** visited Tambi on 6 June 2019 and once again we had a very successful book sale. We'd like to extend a big thank you to The Book People for bringing hundreds of books for us to buy, and we look forward to reading our new books in the upcoming school break.
- Mrs Schwenk has ordered **new books for our school library**. Learners are encouraged to look out for these books in the new term.
- If any parents are willing to **assist us with looking after our foundation phase learners in the morning** before school, please make contact with the school office.
- A **new roof was installed** over the two Grade 5 classrooms; this area is now leak free.
- **New aluminium windows with burglar bars have been installed** on the bottom section of the main school building. This acts as the first phase of a lengthy renovation in which eventually all the school windows will be replaced. These additions help to enhance the security of the building, as well as update the school's profile.

- **Air-conditioning has been installed in our school hall**, the benefits of which were already felt during our term two disco.
- During the course of the year, **a new fence will be installed along the foundation phase playground**. This renovation will include a security hut for Mr Allie for when he is looking after our learners during the cold winter months.
- **All maintenance and renovations are made possible through our annual fundraisers, as well as through parents who pay their school fees on time**. We'd like to thank these parents for doing the right thing.
- Regarding the **clothing bank, stock will be replenished by the start of term three**.
- A recent survey done at school revealed that **a number of our learners are not receiving breakfast and/or lunch during the school week**. This, no doubt, has an effect on their ability to perform at school. Miss Sarembock managed to contact Mr Danny Diliberto, the founder of Ladles with Love, to assist Tambi in setting up a feeding scheme. We are currently still in the planning stages and as such, we will begin by only feeding respective learners on a Tuesday and Thursday. **We appeal to any parents who may be able to assist in preparing and distributing the food** to please make contact with the school office. We would also appreciate any donations in this regard.
- **We are in the process of reintroducing the school track-suit, as well as branded rain jackets**. Kindly note that limited stock has been ordered; please order as soon as possible to avoid disappointment. Further orders can be made, but will require a 50% deposit.
- **The orders and distribution of the individual and class photos taken during term two have now been finalised**. In the event that you would still like to order/reorder, please contact Prestige Photography directly.

FINANCE

- **Regarding outstanding debt**, we would like to thank those persons who have paid or are in the process of paying off their debt – we appreciate your cooperation. To those parents who have again neglected to pay any of their outstanding debt, your account will be handed over to a collecting agency during the course of the third term. Please note that this may negatively effect your credit record.
