GENERAL NEWS

- **We are excited to share an update on the construction of our new Aftercare and Art rooms**, which will provide our learners with more opportunities for creativity and growth. We are pleased to announce that the WCED has approved the project, and we are now awaiting Council approval. We appreciate your patience and support throughout these projects and can't wait to utilise these facilities for the benefit of our school community. Thank you for your continued support.
- **On 12 June, our learners received a visit from the SAPS**, who conducted an important safety workshop. Topics covered included public safety, home safety, school safety, respecting personal boundaries, and the national emergency number. The learners were fully engaged, and we thank SAPS for sharing this valuable information with our students.
- **We bid farewell to one of our longstanding teachers, Mrs Larney Ross**, as she takes up a Grade 6 post at a new school. Since joining Tambi in 1999, Mrs Ross has served in various capacities, predominantly as a Grade 6 teacher. She will be greatly missed for her sense of humour and the many shared meals in the staff room. Both colleagues and learners alike will miss her presence. We wish her all the best in this new endeavour.
- **We wish all our learners, colleagues, and families a wonderful mid-year break.** Stay safe, and we look forward to a productive term three. Thank you for your continued support.
